

**2004**  
**CHARDONNAY Reserve**  
***Santa Lucia Highlands***  
**“Old Oak Ranch”**

---

The Stonehedge Chardonnay Reserve is produced exclusively from hand selected blocs of “Old Oak Ranch” on hill-sides of *Santa Lucia Highlands*. The cool Pacific Fog Covers the vineyard until overpowered by the unyielding California sun in the early afternoon. The combination of cool mornings and warm afternoons allow the grapes to attain full ripeness without sacrificing a well balanced acidity. In Result, the **STONEHEDGE RESERVE CHARDONNAY** offers a rich core of pineapple-pear notes with buttery hints of toasty vanilla oak supported by just the right touch of acidity. Boldly rich, yet refreshingly crisp and clean, it is **THE CHARDONNAY** right for all occasions.

***STATISTICS:***
